

SHAKLEE PRODUCTS FOR HUMANS, LIVESTOCK, AND COMPANION ANIMALS

Shaklee has been a leading provider of premium quality, natural, environmentally friendly nutrition, personal care, household and animal-friendly products since 1956.

Shaklee utilizes the best nature and science can provide. The company has created many natural food products and cleaners that also help to keep our livestock and companion animals environmentally and physically healthy, as well.

Phosphate-free, non-toxic, non-irritating, biodegradable and environmentally friendly products.

SHAKLEE products improve the health of our animals and ourselves; we are proof that the products benefit our performance horses.
